

Blended Bible Reading Plan #15 - One Year Bible Reading Challenge.

Reading Between the Old Testament & New Testament

What it is: Blended Bible reading plans will help you read through the entire Bible in a year, but are arranged so that your readings are from the Old Testament and New Testament are intertwined. Having readings from different books keeps you from getting bogged down in books like Leviticus and can help make sure that there is a successful reading that resonates and has variety with you every day.

This Blended Bible Reading Plan takes into account the great number of people who are *new to the Bible* or do not have a *strong background* in the word of God. Or if you are like me, *might not enjoy reading* as much as some do and to be successful need variety in your daily reading guide.

1. Start reading the Bible today -- there is no better time, and there's no reason to wait. Set aside a specific time each day. Set your schedule and then stick to it.
2. Read the Bible for the sake of learning, not simply to accomplish your next reading. Say a short prayer to God before you begin, asking the Holy Spirit to give you wisdom and understanding, then be refreshed by the words you read!
