

# 4 STAGES OF SHARING!

## STEP 2 - SHARING YOUR TESTIMONY - CHAPTER 10 PRESENTING YOUR PERSONAL TESTIMONY

We are excited that you are interested in sharing your personal testimony. We celebrate with you all that Christ has done in your life. Thank you for allowing us to assist you in developing your relationship with Him as you share your story with others.

(As in the above picture.)

### STAGES OF A BUTTERFLY IN COMPARISON TO SHARING THE GOSPEL.

Comparing yesterday's study, [ABCs of Sharing the Gospel](#), 1 & 2 stages of a butterfly.

<b>2<sup>nd</sup></b> Continual Feeding Stage	<b>Caterpillar</b>	<i>Indirect sharing methods</i>

<b>4<sup>th</sup></b> Reproductive Stage	<b>Adult/ Butterfly</b>	<i>Sharing the Gospel message.</i>

Today's chapter 10 study guide is on the **third Stage of starting to Share your Testimony**—the *transition of the emerging state of Sharing the Gospel*.

We are developing a plan in the following few study guides that engages and embraces all these stages of soul-winning, teaching you how to share your God story with the hope that it triggers a God moment for those you are communicating with.

Soul Winning is not a choice. Yes, it is God's command. *He said to them, "Go into all the world and preach the gospel to all creation."* (Mark 16:15).

You've read God's command in the Bible to evangelize. You've heard the preacher or teacher plead with you to share the Gospel. Perhaps you've felt convicted to share "*the Good News,*" but you can't escape your fear. You feel like you will only know some answers no matter how much you prepare or how many verses you memorize. But don't let fear of failure hold you back from obeying God. There are no excuses; God commanded us to proclaim the Gospel, and He is worthy to be followed. We may never know all the answers, but we must be obedient. The only thing God cannot use is our ***silence***. Remember, a person's eternity in Heaven or Hell is at stake.

### **What Will You Do?**

You're at the point of making a choice. Will you be obedient and share? You can continue to hold on to God's message of Salvation for yourself or share the Gospel with those lost and in need.

*"So is my word that goes out from my mouth: It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it."* (Isaiah 55:11).

Worry, fear, or indecision to witness (sharing the Gospel) typically originates from a lack of self-confidence and uncertainty in your understanding of the topic. You deserve praise for being interested in studying how to share the Gospel enough to read these study guides! It takes more than just reading study guides to win souls effectively; you must practice what you learn.

#### **Common Fears:**

- Saying the wrong thing
- Being tongue-tied
- Embarrassment
- Confrontation
- Laughed at
- Unknown
- Rejection

#### **Overcoming Your Fear of Sharing**

- Understanding the Scriptures.
- Successful previous experiences.
- Fellowshiping around individuals who also want to share the Gospel.
  - Remember, the Holy Spirit will use the words you speak.
  - Set aside social and cultural impacts instead of the desire to share the Gospel.
  - Desire to let Christianity shape culture, not culture shape Christianity.
- Prayer for the Holy Spirit to help you have wisdom, courage, and boldness.

You will typically discover that your fear and worry about sharing will vanish as quickly as you start to talk to individuals. The essential thing is to GET STARTED! Do not permit the devil to keep you from being a fruitful witness.

Claim 1 John 4:18, *"There is no fear in love. But perfect love drives out fear, because fear has to do with punishment. The one who fears is not made perfect in love."*

**To be an effective soul-winner**, you must study and practice continuously. Among the most valuable and practical things a Christian can do is write out and develop their individual testimony (their story.) Creating and organizing your story helps you share your testimony clearly and efficiently with others. This practice will help you think through and analyze what God has done in your life.

Get together with a friend who wishes to spread the "Good News" and practice speaking your testimony. Role-playing will help you recognize phrases you could word better, and you will gain more confidence each time you practice. If you do not have a friend to help you, practice speaking while looking into a mirror. Practicing your testimony several times will help you feel ready to share the Gospel message.

Your testimony can be shorter and more intriguing with a lot of practice. You could also practice speaking your testimony by recording yourself using your cell phone, iPad, or video recorder. Watching yourself present your testimony is a little scary, but it will help you discover any changes you need to make in your delivery. Perhaps your body language looks uncomfortable, you talk too fast, or you find yourself using too many words like "um" or "you know" or repeating your favorite sayings too many times. Please do not get down on yourself, as repetition increases your confidence. Fear will become less as you develop confidence that the Holy Spirit will use your words for His Glory when you trust in Him.

**Practicing in front of a mirror** is an excellent idea for working on each presentation component. It will allow you to focus on your body movements and facial expressions and give insight into how to relax through your delivery. Your practice may make you feel like when you started a new job from scratch—which can be overwhelming.

But you will gain confidence each time you make a mistake. Like me, we can be our worst critics and find reasons to quit quickly. When we look at **all** the non-perfect people in the Bible used by God, they went through many tests and hardships. Everything we do takes commitment to trust the Holy Spirit, hard work, and serving Christ.

## **TESTIMONY**

The word "testimony" means "a witness." A testimony is your presentation of how you came to a saving knowledge of Jesus Christ and how He has transformed your life. A witness explains what they have personally seen, heard, known, and discovered.

Your story is the most valuable and effective tool for sharing the Gospel of Jesus Christ, but usually, people don't think about sharing their own Salvation experience. Could you ensure you include your own story in your presentation, and you will find that you will be more successful in reaching others for Christ? Often, you will find that people can relate to your story as they discover they have the exact needs and desires as much as you do.

### **HAVE A HEART-TO-HEART TALK WITH YOURSELF**

One tremendous lesson I have learned throughout this process is that it is easy to feel pity for ourselves. I can hear excuses like: "Well, you do not know me; thus, do you realize how difficult life has been for me and how hard it is to share the Gospel. It does not come naturally to me like it does to others." I have often made the excuse that I am not intelligent enough. When in the company of others, I feel I have nothing significant to contribute.

### **Do You Ever Feel You Are The Runt of the Litter?**

Sometimes, I shake my head and say, Lord, "Why did you pick me? I am the 'runt of the litter.' Wouldn't you rather use more gifted people to do all these thousands of pages of Christian content on my websites?"

A little history: I failed grade 11 English and have always struggled to put my thoughts on paper in emails or write content.

God used me because it isn't about me at all. It's about Him; He is the One that gets all the glory, not myself. Another reason is that even though difficult, I trust the Holy Spirit to carry me through my difficulties. I pray that no matter your obstacles, you will realize GOD CAN USE YOU! God choosing you to help build up His kingdom has nothing to do with how smart you are or what your natural talents may be.

GOD CAN USE ANYONE! All you need to do is be willing and obedient. It is easy to say, "Can someone else do it," or "I can't share the Gospel because of this \_\_\_\_." Instead, roll up your sleeves and let God use you. The results are in God's hands, not yours.

Surrender to Him today and pray,  
"LORD, I want to share the Gospel with everyone. Teach me how to share by trusting the Holy Spirit to guide me."

## **NOBODY BECOMES A PERFECT SOUL WINNER INSTANTLY**

I encourage you to start sharing today. It takes practice. God will bless your faithfulness and dedication in sharing the Gospel over how well you presented the message.

Psalm 126:6:

*"Those who go out weeping, carrying seed to sow, will return with songs of joy, carrying sheaves with them. ."*

## **SHARING YOUR STORY**

### **1. MAKE IT PERSONALIZED**

**Never preach.** Share what Christ has done and how much your life has changed. Utilize the pronouns "I," "me," and "mine."

### **2. MAKE IT BRIEF**

Three or four minutes ought to be sufficient time to share important truths.

### **3. ALWAYS KEEP CHRIST CENTRAL**

Always emphasize what He has done for you.

### **4. UTILIZE THE WORD OF GOD**

One or two Bible verses embedded in your presentation will provide power to your testimony. Keep in mind that the word of God has a razor-sharp cutting edge.

*"Take the helmet of salvation and the sword of the Spirit, which is the word of God."* (Ephesians 6:17).

**NOTE:** Avoid talking about negative church experiences in your testimony. Do not mention a church's name that you did not like. This creates a sense of negativity and passive-aggressiveness.

Please write down your testimony and how you would tell it to a non-Christian. Make the story so clear that an individual hearing it would understand exactly how to receive Christ as their Savior.

- **First**, could you briefly discuss your life *before* trusting in Jesus Christ?
- **Second**, share *how* you came to know Christ, your transformation, and *how* you came to trust in Him.
- **Third**, talk about all the blessings *after* coming to Jesus. The assurance of everlasting life, your new outlook on life, and your sins are forgiven.

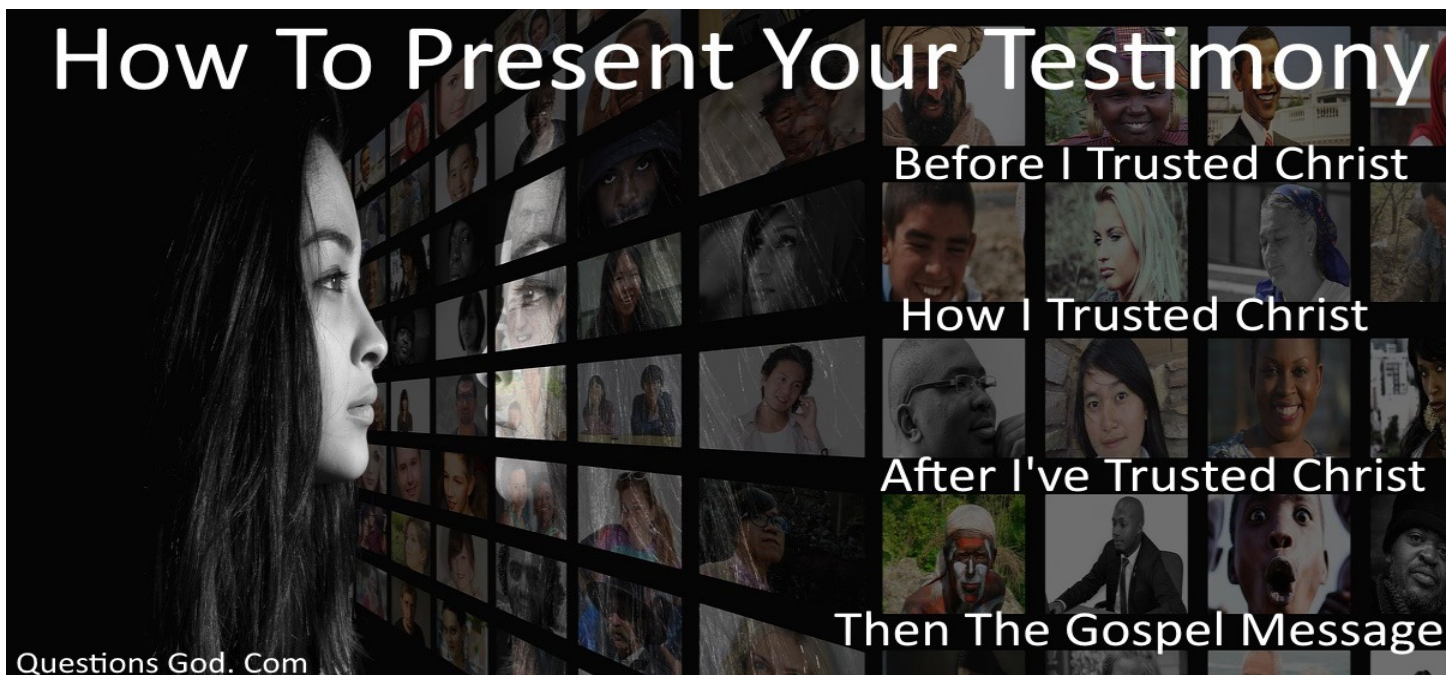

After creating and organizing your story, ask the Lord to provide you with prospects and opportunities to share your testimony. Pray for individuals you would especially like to tell about Jesus Christ in your community, at your job, or at school.

## AN EXAMPLE OF HOW TO PRESENT YOUR TESTIMONY

Apostle Paul's testimony in [Acts 22:1-21](#) can be outlined as follows:

- *Before I received Christ* - vs. [1-5](#).
- *How I got saved* - vs. [6 - 10](#).
- *After I received eternal life* - vs. [11-21](#).

The last bullet point, *After*, is the most crucial part. People desire to know what can be gained from receiving Jesus Christ as their Savior. Bear in mind that your testimony is your personal experience of Salvation. Folks can't argue with your personal story of Salvation. So, do not be afraid or hesitate to tell them.

### YOUR TESTIMONY

*Before I trusted Christ*

*How I trusted Christ*

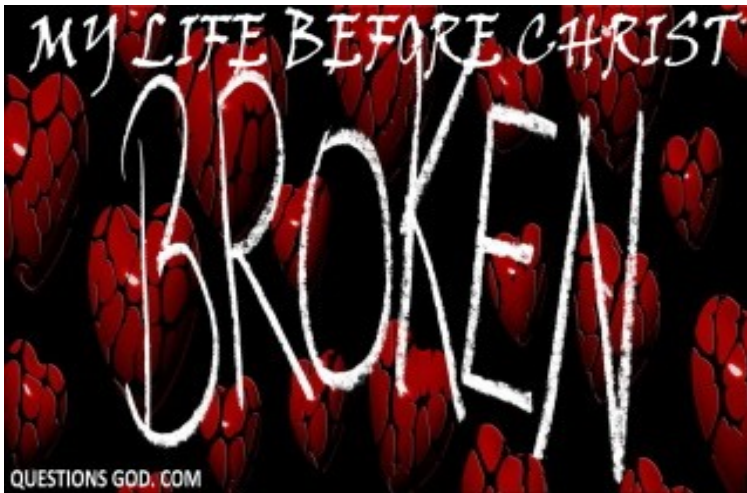

*After I've trusted Christ*

Remember that you, alone, do not have the power to persuade anyone of spiritual truth. The Holy Spirit convicts non-believers of their necessity to know and accept Christ.

*"When he comes, he will prove the world to be in the wrong about sin and righteousness and judgment."* (John 16:8). As you pray for those you want to share your testimony, ask our Lord to empower you with the Holy Spirit as you share the Gospel. Believe in your heart that God is faithful to His Word in convicting people of their needs.

**YOUR TESTIMONY SHOULD INCLUDE THE FOLLOWING:**

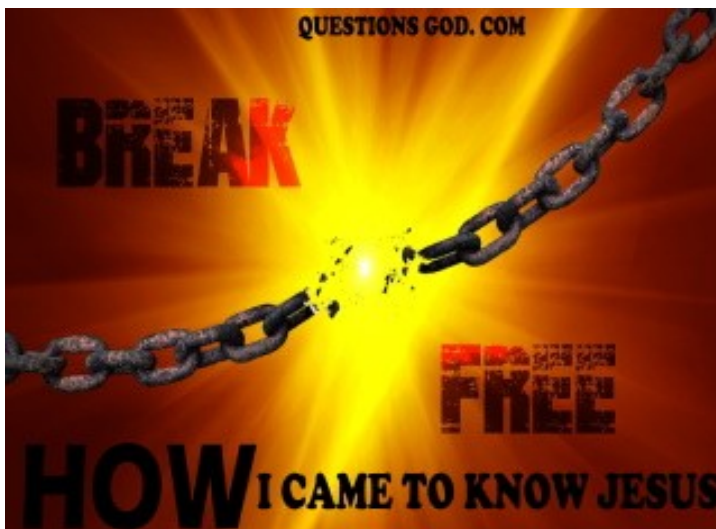

**1. LIFE BEFORE CHRIST**

(**IMPORTANT:** Please start your [first draft page](#) marked "BEFORE.")

These *keywords* and expressions below help you recall your life before you came to know Christ. You can use them or other suitable terms as they apply to your circumstances in your written testimony.

Lonely	Emptiness	Good Deeds
Driven	Good Person	No Direction
Religious	Without Purpose	Fear of Death
Fearful	Controlling	Lost

- *Teenagers* can relate to loneliness, fear, searching for answers, and having no clear direction in life.
- *Adults* can relate to the above, including believing in different religions, fearing death, feeling as though they have no purpose, and feeling lost.
- *Business* people can also relate to all the above, including having more worldly desires like gaining more money and the desire to please themselves and others over pleasing God.

**2. HOW I TRUSTED CHRIST**

**How** You Got Saved - Ways you came to know God. (**Important:** please start your [second draft page](#) marked "HOW").

God lovingly uses various methods to make us realize the importance of having a personal relationship with Him. We all have varied backgrounds and different experiences. The keywords below identify a few of God's methods to draw us close to Him. Find those that apply to you or

provide words that work for your Salvation story. Jesus answered, "[I am the way and the truth and the life. No one comes to the Father except through Me.](#)" (John 14:6).

Friend	Minister / Pastor	Church Service	Youth Camp
Stranger	Parent / Meetings	Bible Class	In My Home

## ...It's All Good After I Received Christ

### 3. AFTER I TRUSTED CHRIST

Evidence of a Changed Life.

(**Important:** please start and use your [third draft page](#) marked "AFTER.")

Many aspects of your life have changed since Jesus became your Lord and Savior. Many of these changes are noticeable to those around you, and others are not so obvious. Use the keywords below that describe your life and how it has been

changed.

*"Therefore, if anyone is in Christ, the new creation has come. The old has gone, the new is here."* (2 Corinthians 5:17).

This verse implies that those who become Christians become a new person in Christ. They are no longer the same, for the old life is gone, and a brand-new life has begun! Use the keywords below that describe your life and the changes.

Joy	Peace	Forgiveness	Direction
Patience	Kindness	Faithfulness	Witnessing
Love	Self-control	Compassion	Goodness
Service	Assurance	Gentleness	Bible Study

Over the next few days, we will give examples of personal testimonies to help you think through an outline for your own testimony. Some parts will apply, and some will not. You will get a good indication of how to write out your testimony by the examples given, including:

- *My Life **before** Christ* (1 minute long).
- ***How** I came to Know Jesus Personally* (1 to 2 minutes long).
- *My Life **after** I became a Christian* (1 to 2 minutes long).

### Words to Avoid

Avoid using Christian phrases that are too "churchy." Most non-believers will need help to identify what you mean. Instead, use one of the example phrases below.

Try to refrain from using these phrases in the *do-not-use* column below.

DO NOT USE	Use These Phrases	Use These Phrases	Use These Phrases
"born again"	spiritual birth	spiritual renewal	spiritual awakening
"saved"	rescued	found hope	delivered from despair
"lost"	had no hope	had no purpose	separated from God
"Gospel"	Good News	God's message	hope for the world
"sin"	rejecting God	missing the mark	disobedience to God
"repent"	turn around	admit a wrong	change one's mind
"repent"	obey God	follow God's Word	decide to turn away

**CAUTION:** Please use wisdom in using or not using the examples in the left column. The Holy Spirit will guide you on which words to use in your presentation. The last thing we want to do is water down the Gospel by being afraid of using certain "Christian words" as "repent."

Never share the Gospel message in a dogmatic, negative, hostile, and overbearing way, saying, "You are a sinner, and you have to repent, or you are going to hell."

Many people do not know God or the Bible; thus, they will not understand religious terminology. Your testimony should be sensitive, understandable, and relatable to a generation that knows nothing about God, Jesus Christ, the Holy Spirit, and Salvation. (Take a moment and reflect on how you can relate your testimony to a generation knowing almost nothing about God with all their preconceived beliefs impacting their discernment.)

## SUGGESTED CONVERSATIONAL OPENING QUESTIONS.

### **1. Moving from a routine (introductory) conversation to a spiritual discussion.**

Once you talk with someone about general topics (the weather, news, hobbies, sports, etc.), it is easy to transition to a spiritual conversation by asking thoughtful questions. If you're talking about the news and all the terrible things in the world, you could easily ask, "What is your hope in?" Or something similar.

### **2. Moving from a spiritual conversation to the Gospel.**

From a spiritual conversation, you can quickly shift to discussing the Gospel by asking other transference questions like:

"What has been your experience with Christianity?"

Or "Where are you on your spiritual walk?"

Then, it is straightforward to continue by sharing your **testimony**. When finished sharing your testimony, then start discussing the Gospel message.

(Sharing the Gospel message explained in more detail in later study guides.)

Pray for an opportunity to share your story with someone this week.

Other **sample questions** you can ask are:

- Are you satisfied with your life?
- Do you have questions about your existence and your reason for living?
- Do you ever think there is more to life?
- Do material things have lasting satisfaction?
- Do you want direction in your life?

## FACTORS TO REMEMBER

- Be cheerful.
- Don't be untruthful, misleading, or exaggerate.
- Faith and conviction come from hearing God's Word ([Romans 10:17](#)), so include one or two key verses, specifically those critical in your transformation.
- Refrain from using words that confuse individuals, such as "redeemed," "saved," "righteousness," and so on. For example, if you tell somebody you "felt convicted," they may ask if you've been to jail.
- If you are unsure about when you came to faith, you can talk about a time when you may have come to Christ. You may get an opportunity to explain it later. Please keep your testimony up to date. If you discuss only a decision made in the past times, you will fall short of illustrating the work of Jesus currently in your everyday life.

## QUESTIONS FOR SELF-EXAMINATION

- Do you find that people are open to discussing spiritual matters?  
Why or why not?
  - What sort of questions are people asking?
  - What issues are people most concerned about?
  - How does Jesus answer these questions and concerns?
  - Think about people in your life that you would like to ask,  
"Where are you on your spiritual journey?"

Decide to have spiritual discussions today, and remember these **words**: *Rapport, Relevance, and Recommendation.*

What is the person's primary concern? (**Rapport** - Connection.)

Speak in a language they can understand. (**Relevance** - Purpose.)

**Recommend** that they consider looking at the saving Grace of Jesus Christ.

(**Recommend means Advocate - Urge.**)

*Please don't debate religious beliefs.*

### Frequently Asked Questions:

- **Why share my story?** God has a plan of action for everybody's life. Sharing your life story can be a way to celebrate what Jesus has done in your life. To reach others for Jesus, tell how you have encountered God's blessings.
- **What if I don't believe that I have a story?** You could write down any turning point you can think of that pointed the way to Jesus. You will be pleasantly surprised by what comes to mind. You can't encounter Jesus and remain the same.
- **Where do I begin?** Writing out your Salvation story is an excellent way to think about and organize what you want to say. Begin your testimony (your account) from whatever point seems sensible, and the Holy Spirit will guide you. Write like you're speaking to a good friend.

**Would You Like To Know What To Write?** Consider writing about these in detail:

- Jesus saved me and gave me a new life.
- Jesus taught me to grow in faith.
- Jesus helped me through my struggles.
- Jesus restored a relationship that was broken.
- Jesus used me to make a difference.
- Jesus provided when I had a need.

**In sharing your testimony, try to address these questions:**

- What was your life like **before** becoming a Christian?
- **How** did I come to know Jesus personally? What led you to change?
- How has your life changed **after** becoming a Christian? How has your Christian faith enriched your life?
- What have you learned from your encounter with Jesus?

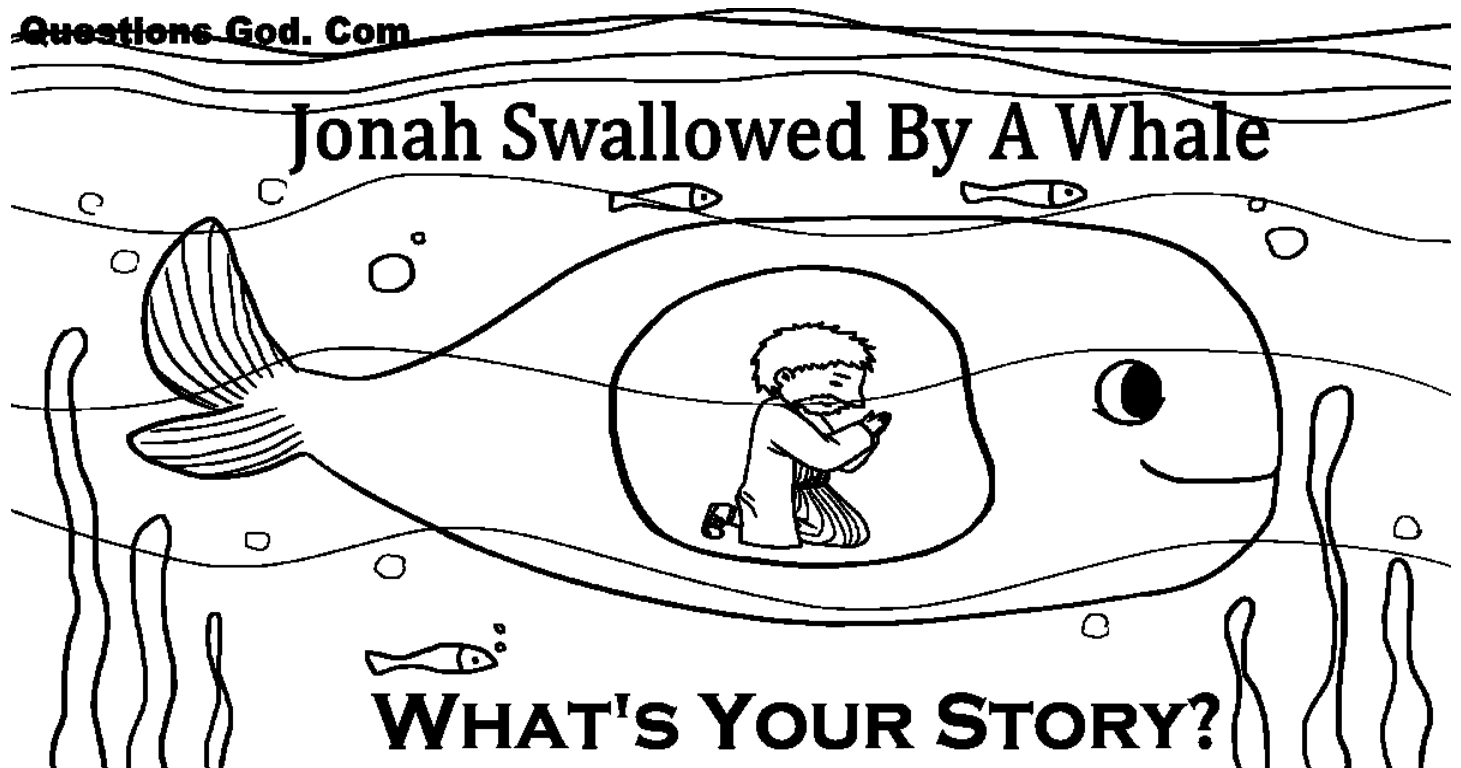

We celebrate each story we get and seek opportunities to share stories online. Please consider sharing your [testimony here](#).

In sharing your testimony, look back on significant decisions you have made, whether good or bad, and see how they affected your life over time. This decision to start reaching lost souls is one of them. Please begin doing your **three rough drafts today**. **Tip:** Always draw descriptive word images for the listener using your [Before](#), [How](#), and [After](#). Then, picture yourself telling your story to a friend **using vivid picture words**, as in the example of Jonah swallowed by a whale picture below.

Take time to pray for God to show you how to write your testimony and the words He wants you to use.

## **EXAMPLES OF MY (BRIAN'S) TESTIMONY** (To illustrate using vivid picture words.)

**1<sup>st</sup>,** Talking to a Teenager,

**2<sup>nd</sup>,** Talking to an Adult,

**3<sup>rd</sup>,** Talking to others in the Workplace.

### **Brian's Generic Testimony**

I lived a life of drinking, doing light drugs, and stealing. One day, I offered a young lady at work a ride home and asked if she wanted a joint. She refused the joint and invited me to a church service that night. At that point in my life, I knew nothing about Christianity and had no interest, but I liked the girl. That night, the evangelist explained the Gospel and invited anyone to come to the front of the church. I went up immediately and asked Jesus into my life. The Grace of God changed my life. I was not perfect, but I knew I had met God. Three out of the four vices were gone that very night.

## **SPECIFICS OF MY TESTIMONY RELATING TO THIS STUDY GUIDE**

### **1<sup>st</sup> - Talking to a Teenager.**

I met Jesus in a personal way. I offered a young lady I was interested in a joint, and she offered to take me to a church service. That night, Jesus changed my life forever. My **loneliness** and **fear** were gone, and I realized what I had been **searching** for all along. My love for God and others **replaced** all the **wrong desires** of stealing, drugs, and alcohol.

I had never thought about God until that night at the church service, and then I realized how empty my life was and how I was living in fear. The young people performed a drama of Jesus on the cross and explained how **He suffered** and **died for me**. I realized that I did not have to be **lonely**. Jesus **died** on the cross for me. And He **loved me** so much more than any human can. The **loneliness, fear, and uncertainty** were replaced with **love, joy, peace, and assurance** when I asked Jesus into my life. Yes, I still struggled, but each day, as I read my Bible and prayed, God took the **old me** and made something **new**.

### **2<sup>nd</sup> - Talking to an Adult.**

I was an alcoholic who was **lost, shy, and fearful** about life. An acquaintance invited me to a church service. At the end of the service, they asked if anyone wanted to have a **personal relationship** with Christ. I went up to the front of the church, said sorry to God (repented), and decided to turn from my sin (repentance) for being **disobedient** and **rejecting Him**. I **admitted** I was **wrong** (repented), and I desired to **follow** Jesus.

**OR** - Have you ever questioned **your life** and **goals** and considered where you would like to end up? I know I did. For many years, I tried to **solve my problems** with alcohol. I had a few beers for breakfast or a joint to get through the day ahead. I was always terribly **lonely**, even with a few friends around. I was **never satisfied**. One night at a church service, I asked God's Son, Jesus, **into my heart** and asked for **forgiveness** for my sins. Something big happened. God replaced **fear** with **joy** and **self-control**. Jesus took my desire to drink alcohol away and **replaced it** with the **peace** of enjoying God and

life.

### **3<sup>rd</sup> - Talking to people at work or to those who are career-oriented.**

As a young person, I was taught to work hard, and making money was a priority. Like everyone else, you try to get established in a job, acquire household goods, find a mate, and buy a house. Then you start collecting all the toys to go with it. I learned that new toys would only [satisfy](#) me briefly; something was [still missing](#). I had [no real direction](#) for fulfilling the [longing inside](#) of me. One night, I heard the Gospel message of God's [forgiveness, love, and faithfulness](#) for me. I asked [Jesus Christ into my life](#), and He [forgave me](#) of all my [disobedience](#) to Him. God gave me [direction](#) and [assurance](#) in His [promises](#) through [reading the Bible, praying](#) (talking to Him), [joining](#) a Bible study, and [finding a caring](#) local church. My life [changed](#). I was filled with [gentleness](#) and [compassion](#) for others and wanted to [serve Him](#) with [indescribable joy](#).

**Note:** The more you share, the more you will discover what parts of your testimony relate to each type of individual by their responses and watching their body language. Share your story this week.

### **A Journey Of Chapter 10 Questions– Presenting Your Testimony.**

Embark on a journey of self-discovery, reflection, and personal growth. Explore your thoughts and emotions to understand yourself and your world better. Please reflect and give thought to these questions from Chapter 10.

1. Is soul-winning (sharing the Gospel) a choice? ([Mark 16:15](#)).
2. Find a favorite Bible character that God used despite their flaws.
3. What is your biggest challenge during this stage of preparation of your testimony?
4. What are the best questions to ask an individual for transitioning from a non-spiritual discussion to a spiritual conversation?
5. Write a rough copy draft of your testimony (Your Salvation Story). Please print or write out our [Word \(.docx file\)](#) or a [PDF file](#) that makes 3 drafts.
