

STEPS FOR A NEW CHRISTIAN TO GROW
HOW TO DIRECT THE NEW CONVERT TO FOLLOW CHRIST

Using the acronym **G-R-O-W-T-H**

An acronym is a word formed by abbreviating a phrase by combining the first initial of each word into a single term as **GROWTH**.

Write the Six Things You Do After You Are Saved:

Using the acronym - **GROWTH** ([1 Peter 2:2](#)).

G _____
R _____
O _____
W _____
T _____
H _____ help build a loving relationship

The soul winner encourages the convert by telling them what to do to please the Lord.

1. G - GO TO CHURCH. ([Hebrews 10:25](#)).

Explain to them the importance of going to Church. They will meet new friends and be blessed by the singing and the preaching. They will follow the examples of Jesus Christ ([Luke 2](#) - while still young.)

Welcome brand-new believers to come to your Bible study or Church. It helps the new believer to meet new friends and learn from mature Christians. Another part of follow-up is presenting brand-new followers to other Christians who can motivate and support them in this new stage of their life.

Encourage the new Christian to get involved in a church. Involve them in church activities, for example, Sunday school, men's or women's classes, newcomers classes, and the Alpha program. Have a small gathering of other Christians meet in a home to discuss questions that a new Christian will have.

Some ideas are to have them join as greeters alongside another Christian or usher or ask your pastor for areas that need help.

2. R - READ YOUR BIBLE. ([Matthew 4:4](#); [Joshua 1:8](#).)

You should pick up your Bible today as it brings the beauty and truth of the Bible into everyday life. Reading the Bible as it contains God's will, discernment instructs us in righteousness and the power to overcome, and it is full of God's promises for our lives.

R - REVERENT PRAYER

You need God in and through prayer more than you need anything else. Without God, we will not do anything of any enduring and genuine worth, which suggests we will not do anything of any substantial and enduring value without prayer.

3. O - OBEY THE LORD. ([Acts 2:41](#).)

Show what the believers did in the New Testament by obeying the Word ([John 14:15,21](#)) for those who love Him. Jesus showed an example. ([1 Peter 2:21](#).) On your next visit, ask them if they are willing to obey the Lord and be water baptized. Be a friend and encourage them to follow the Lord in WATER baptism and to attend Church faithfully.

Water Baptism is an essential step in any follower's walk with Christ. It is not just a public confession of a heart changed by Christ but a great act of obedience and identification with Christ.

4. W - WITNESS. ([Acts 1:8](#).)

New Christians should learn to witness (share the Gospel) with others from the onset. Remind them how they got saved, and let them know they can help others find Christ as they did. No one can say that they no longer need to share or witness to others. Christian witnessing is simply sharing your genuine faith in Christ and what He's personally done to change your individual life! We're not called to dispute or argue anybody into heaven. We're simply called to share the "*Good News!*"

5. T - TOGETHERNESS - FELLOWSHIP WITH OTHER BELIEVERS

In addition to mentoring spiritual things, we need to share our lives with brand-new followers, being sincere and open about good and evil and what God is teaching us. Get together and do enjoyable things with Christian fellowship.

Paul discusses that he resembles a spiritual parent or a mom to the brand-new believers: "*Instead, we were like young children among you. Just as a nursing mother cares for her children.*" ([1 Thessalonians 2:7](#).) We, too, can be similar to caring parents for brand-new followers, supervising them, supporting them, motivating them, nurturing them, correcting them, and keeping them accountable.

6. H - HOLY SPIRIT

The Holy Spirit's function is vital. Assist brand-new followers in understanding who the Holy Spirit is and what it involves to walk in the Spirit's power and influence, not their own abilities. We will fall away if we attempt to live the Christian life independently.

CONCLUSION

As quickly as possible, shift from sharing the Gospel to starting follow-up. New followers may have doubts and questions, and supporting and motivating them immediately is essential. Make a specific meeting time and make it simple for them to say "yes."

In follow-up, we can play a crucial part; however, eventually, it is God who is doing the work. He has assured us in His Word to bring about His good work He has started in us.
